

St. George Episcopal Church

CEC Lenten Giving 2020

*F*or the past several years the parishioners of Christ Episcopal Church have generously donated their Lenten offering to St. George's in Leadville. The vestry and the outreach committee have voted to again support St. George's with the 2020 Lenten offering.

St. George's has been providing meals to the community in Leadville for 25 Years. The food is all donated from Target, Whole Foods and Safeway. In 2018 St. George's served over 10,000 meals. They also provide food bags as well as a table of "free" food.

The Lenten offering from Christ Church started with purchasing Bibles for St. George's in Spanish. The next two years the donations from Aspen went toward kitchen upgrades and the food program.

Lent is not only about giving up something but is also about doing good and contributing to the food program for the community of Leadville is doing good. When you write your check to Christ Episcopal Church, write "Lenten Offering" on the memo line.
