Welcome

Christ Episcopal Church, Aspen is a joy-filled parish in the historic West End of Aspen. Our relationship with God through Jesus Christ lies at the heart of our common life, and we seek to be transformed by that relationship as we engage in worship, education, fellowship, and service together. In our faith community, we support one another in need, celebrate each others' joys, pray together, and endeavor to share the love of Christ with all we meet.

We are a small church, with a big heart for sharing God's love with our community.

We look forward to meeting you!
